Dear Patient

I started working at Willow Green Surgery in 2006 as a Registrar and became a Partner in 2007. Having been part of the Willow Green family for almost five years, it was a difficult decision to make when an opportunity arose for a new challenge abroad. However, my family and I have decided to take up this opportunity and it is with great sadness that I shall be leaving the surgery in December.

I have enjoyed my time at the surgery tremendously, both working with fantastic partners and staff, as well as getting to know yourselves and your families. I feel it has been an absolute privilege to have been able to serve the East Preston community and would like to wish everyone well. Although it will be a big change, I feel confident that I am leaving you in the very best hands of the Willow Green Team.

Yours sincerely

Dr Lisa Amin
